USAT Grants

The Club is too new to be eligible for grants this year. Club will try again next year

United Athletics

-AnnMarie reported her first hand experience with United Athletics racing. The group's mission is to pair local athletes with individuals who require physical assistance to participate in a variety of sporting events.

AD

-AnnMarie will be contacting United Athletics regarding our club participating in this program. United Athletics has all of the equipment, guidance, as well as insurance coverage for the races.

If it is decided there is enough interest, she will investigate whether a training session with the equipment be scheduled for our members.
