Call to Order by President Laura Cordes

Minutes of June Membership Meeting were provided and approved.

Treasurer's Report:

- Current Balance \$4,289
- This does not include the \$400 prize money for Club Championships at Rock Hall where the Club came in second in their division.

Membership Report

- Paid Membership as of this date: approximately 60

Race Coordination

- Carl reported that volunteers are in place for both days of the Patriot Series in September.

Sponsors and Club Partners

- Laura reported that the following companies have provided discounts this season: Village Bicycles, Virginia Maryland Triathlon Series, Go to 11 Racing, Point 2, Xterra, and Sweat X. Discount codes are available in the member log-in area of the website.
- Laura also announced a commitment from Suntrust to become the club's newest sponsor. They join our current sponsors: TPMG, TPMG Interventional Pain Management, Bon Secours, Orthopedic and Spine Center, Performance Chiropractic, and Village Bicycles.

### Leadership 2018

- Elections for a new slate of officers will take place at the club's December social/membership meeting.
  - Please consider using your talents to grow the club.
  - Descriptions of the board and committee positions are included in the bylaws which can be found on the club website

### Fall Clinics

- Clinics will recommence in October. Please feel free to provide suggestions for topics to any of the board members.

### USAT Grant

- Based on a USAT grant application prepared by Laura, the Club has been awarded \$800. The proposal is to purchase 2 bikes and provide training/learn to ride and encouragement to two middle or high school athletes and to be introduced to the sport of triathlon.
  - **Laura** will shop for used bikes
  - **Any ideas** for the specifics of the program should be forwarded to Laura
  - **Laura** will be contacting schools and track coaches to get names of potential athletes in the York County Area

### Other Business

- A proposed amendment to Club Bylaws was put before the membership. This amendment creates an Associate Level of membership which allows athletes to be members, but not listed on the USAT Roster. Approval of the amendment was proposed by Jessica, seconded by Carl, and unanimously approved by the membership.
- Several members of the club have expressed a commitment to training and participating in the Half Ironman (Previously called Beach to Battleship) next October. Based on interest expressed thus far, there will be a group training and traveling to the event. More to come when Race Date is confirmed.
- Drawings were held for a \$20 gift certificate to Village Bicycles and 2 Road ID Discount coupons provided by John Edwards.

Meeting was adjourned at 3:45
